

# HEATING BOILERS

Product type				Working pressure (bar)	Power (kW)																					
					20	30	40	50	60	70	90	100	200	400	500	800	1000	1500	2000	3000	5000	6500	10000			
HEATING BOILERS	WALL HUNG		VARFREE	4																						
	Premix gas boilers	Condensing modulating	CONDENSINOX	4																						
			OPTIMAGAS - TYPE G	4 +																						
			CONDENSAGAS - TYPE G	4 +																						
			MODULO CONTROL	4 116-180 kW	6 220-450 kW																					
			VARINO	4																						
			VARINO GRANDE	6																						
			VARJET	4 +																						
	Jet boilers Condensing		LRK	6 +																						
			FBG	5 +																						
	Pressure jet boilers, oil or gas fired	Reverse flame	LRP	4 +																						
		Three pass	LRP NT PLUS	4 +																						
			LR	6 +																						
			LRR	6 +																						
				TOTALECO	6 +																					
Condensing economisers	Single or double stage condensing economisers	TOTALECO	6 +																							
	Single or double stage turbo economisers	TOTALECO TURBO	6 +																							

Product type				Working pressure (bar)	Power (kW)				
					20	30	60	100	600
DOMESTIC HOT WATER	Gas fired storage water heater	Chimney flue	SANIGAZ	7					
		Horizontal turbo flue extractor	SANIGAZ TURBO	7
